

## Dust has settled: we're 'bored' with union issue

Dear editor,

Has the dust settled on the proposal for a veterinary union (July 20 issue)? Yes, I think it has. The vast majority of vets, employees and employers alike are now thoroughly bored by the subject, and simply cannot be bothered to respond to Mr Mir's proposal for a whingers' club.

Yours faithfully,

CHARLES BAGNALL, BVSc, MRCVS,
