

Do You Need Financial Guidance Through Times Of Redundancy?

Uniec Prestige Ltd provide employees with a unique advisory service. During times of redundancy, retirement or change within the workplace, people often need additional support, particularly when this impacts on their finances.

We are pleased to be offering our services to:

Unite Members

To schedule a complimentary telephone appointment please email info@uniecprestige.co.uk or call free phone 0800 055 6963

**How can I save tax on my
redundancy money?**

**I have other pensions
can you help with
those?**

When can I retire?

**How do I manage my
redundancy money?**

**Can I access some of my
pension savings early?**

**How will redundancy impact my
finances?**

Due to current circumstances we are unable to conduct face to face appointments, however during the scheduled telephone call we can discuss your own personal financial circumstances and will help guide you through this stressful time.
