

As you will be aware, the RCVS Council and VN Council elections are now open for voting!

Every year, the BVU contacts those standing for election and endorses those candidates we feel best reflect the values of the BVU, and whose proposed actions we support the most.

This year, the BVU is proud to endorse [ALICE MCLEISH](#) and [DAVID BARRETT](#) for RCVS Council, and [SARAH BATT-WILLIAMS](#) for the VN Council.

We hope that as our members and supporters, you will consider voting for these candidates.

For BVU members, we will email the responses our endorsed candidates have given so you can read how their aims for the RCVS can help workplace conditions and veterinary workers in more detail.
